Accommodation

Hartzer Park offers a variety of accommodation.

Our single rooms whilst simple are immaculately clean and very comfortable. Two twin rooms are available. Shared bathrooms are offered for single and twin rooms.

Two self contained units are available both with private bathrooms.

The White House is a separate two storey three bedroom historical property built in 1880 and modernised. It is suitable for single accommodation for a time of extended retreat.

There's nothing quite like country cooking and you will certainly get your fill at Hartzer Park. Lunch, dinner, morning and afternoon teas are a culinary delight and even the fussiest palates will be delighted.

Hartzer Park itself offers spacious grounds, a labyrinth, a large oval, a comfortable library and an art room.

Facilities

A number of multi purpose rooms are available, the largest of which will cater for more than 50 people in conference style set up. Additional meeting rooms are available for smaller groups.

All conference rooms can be equipped to meet your specific requirements. Audio visual equipment is available on request.

The Byzantine and Romanesque Chapel which comfortably seats 160 is the spiritual heart of Hartzer Park. Its statuary and ambience encourages prayer and oneness with God.
